

# Hearing Aid Manufacturers

FOURTH PROMPTING  
from *Each Ear, LLC*

**Every day** that goes by without [Gruv Button Technology™](#) is another day with unnecessary stress and frustration for hearing aid users and caregivers – and another day fortifying a barrier to hearing aid adoption.

Please see: "[Announcement #1 to Hearing Aid Manufacturers.](#)"

Because I can't get my  
speakers in my ears...

...what good are  
my expensive  
hearing aids?!
